SPHE

■ Title

Social, Personal and Health Education Whole School Plan

■ Introductory Statement and Rationale

(a) Introductory Statement

The staff of Kilchreest N.S. formulated this school plan for SPHE, in consultation with our Board of Management and our Parents, as we believe that SPHE is a shared responsibility and their contributions and involvement will be essential to the effective implementation of the SPHE programme in the school. It was drafted during an in-school planning day, with the assistance of a local *cuiditheoir* from the Primary Curriculum Support Program, and brought to the attention of the Board of Management and Parents.

(b) Rationale

Aspects of SPHE have been taught in Kilchreest N.S. for many years through various programmes and initiatives such as Stay Safe, Walk Tall, Relationships and Sexuality Education and through our involvement in the Health Promoting Schools Initiative. It has also been taught through integration with other subject areas such as Physical Education, Religion, Geography, etc. However, we wish to formalise our teaching of SPHE and plan for it on a whole school basis.

■ Vision and Aims

(a) Vision:

SPHE in our school will endeavour to promote the interpersonal development of each child by helping them to recognise, understand & accept themselves as unique individuals who feel valued & loved. It will enable each child to develop a positive sense of self-esteem, enhance social & communication skills & equip him/her with the knowledge & ability to lead a healthy life.

(b) Aims:

The children of Kilchreest NS should be enabled to achieve the aims outlined in the SPHE curriculum, which include:

- ✚ to promote the personal development and well-being of the child
- ✚ to foster in the child a sense of care and respect for himself/herself and others and an appreciation of the dignity of every human being

- ✚ to promote the health of the child and provide a foundation for healthy living in all its aspects
- ✚ to enable the child to make informed decisions and choices about the social, personal and health dimensions of life both now and in the future
- ✚ To develop in the child a sense of social responsibility, a commitment to active and participative citizenship and an appreciation of the democratic way of life
- ✚ to enable the child to respect human and cultural diversity and to appreciate and understand the interdependent nature of the world

■ Content of Plan

Curriculum:

1 Strands and Strand Units:

The curriculum is delineated at four levels—infant classes, first and second classes, third and fourth classes, and fifth and sixth classes—and is divided into three strands: *Myself*, *Myself and others*, and *Myself and the wider world*.

Each of these strands is further subdivided into a number of strand units or topic areas that contain particular objectives.

Kilchreest NS will teach aspects of all three major strand units each year and strand units will be chosen in such a way that the child will receive a comprehensive programme in SPHE over a two year period.

Kilchreest NS have created this timetable to reflect this approach:

Strands	Strand Units (Year 1)	Strand Units (Year 2)
Myself	<i>Self-identity (Sept.–Oct.)</i>	
	<i>Taking care of my body (Jan.-Feb.)</i>	
	<i>Growing and Changing (Mar-April)</i>	
		<i>Safety and Protection (Mar.-April.) Stay Safe Programme</i>
		<i>Making decisions & Sensitive issues (Jan-Feb.)</i>
Myself and others	<i>Myself and My Family (Nov.-Dec.)</i>	
		<i>My friends and other people (Sept-Oct.)</i>
		<i>Relating to others (May-April)</i>
Myself and the wider world	<i>Developing Citizenship (May-June.)</i>	
		<i>Media Education (May-June)</i>
